Kloth is a modern clothing brand redefining everyday essentials through clean design and thoughtful craftsmanship. Focused on minimalistic streetwear and timeless basics, Kloth strips away the unnecessary to deliver pieces that are versatile, durable, and effortlessly stylish. Every garment is made with high-quality materials, carefully constructed to feel premium without the premium price tag. Designed for those who value simplicity and function, Kloth blends comfort with understated confidence.

Lessons Learned

- It's important to consider the design, and attention to detail matters
- Even with some good friends, it's hard to work in a team
- Communication is key
- GitHub is a life-saver
- Even the simplest looking websites take a lot of work!

Let's Demo !
